2. Agency materiel and other assets (exclusive of real property, proprietary and subsidy projects) were valued at approximately [redacted] as of 30 June 1960.

25X1

3. The Supply Division, in the course of the Purification of Assets Program, generated the disposal of surplus, obsolete, or unserviceable-uneconomically repairable items of property with an inventory value of \$1,634,385 during Fiscal Year 1960. The disposals of technical items were coordinated, in all instances, with the cognizant technical components.

4. All overseas Detached Stations, except three (3), have implemented the Type II Financial Property Accounting Procedures as of 30 September 1960. In addition, ten (10) former Headquarters Controlled Project Accounts have implemented the Type II Procedures as of 30 September 1960.
